MEDICINAL

When sickness runs away with you there seems to be no stopping it. You lose strength and weight and vitality and ambition. Everything seems to go at once. This is what is called "running down." It is because the blood is wrong. It lacks the building-up elements. The digestive powers are feeble and fail to get full nutrition out of the food.

There is nothing in the world so good to correct this state of affairs as Dr. Pierce's Golden Medical Discovery. It puts a new element into the blood. It fills it with the life-giving red corpuscles. It gives power to the digestive apparatus to get nutrition out of the food. It purifies, enriches and vitalizes the circulation so that every organ of the body is strengthened and built up. It tones and invigorates the nerves. It makes hard, healthy, muscular flesh, it does not make useless fat like cod liver oil. Corpulent people gain power and vitality through the "Golden Medical Discovery" without gaining any superfluous flesh.

A great deal of sickness and a great many dectors bills might be "Golden Medical Discovery" without believed.

A great deal of sickness and a great many octors' bills might be saved to any family y keeping a copy of Dr. Pierce's great lousand-page free book "The Common

The True Remedy. W. M. Repine, editor Tiskilwa, Ill., "Chief," says; "We won't keep house without Dr. King's New Discovery for Consumption, Coughs, and Colds. Experimented with many others, but Alexandria Fertilizer never got the true remedy until we used Dr. King's New Discovery. No other remedy can take its place in our home, as in it we have a certain and sure cure for Coughs, Colds, Whooping Cough, etc." It is idle to experiment with other remedies, even if they are urged on you as just as good as Dr. King's New Discovery. They are not as good, because this remedy has a record of cures and besides is guaranteed.

of fish, the tarpon, with magnificent
euccess. We were lying on the top of
the cabin companionway and also lying
about the tremendous fellows which
indescaped us as victory was in our
grap. We were either silent from
lack of insgination or wondering how
any man could disgrace himself by lying so barefacedly as the other fellows
had done. Our rewrie was interrupted by a great commotion in the water.

"We sat up and saw a school of sea
devils, the first that I had ever seen,
darting hither and thither after small
mullet. They looked and swam like
immense black water butteriles, propelling themselves by flopping their
huge wings, which were at least twenty feet from tip to tip.

"Well, Lennig—he was always a
chump—was seized with the idea that
